

2017 Children's Services Professional Learning Program

Welcome to the Maroondah City Council Children's Services professional learning program.

This program has been designed to support educators to broaden their learning and development, by providing access to high quality, relevant and affordable training opportunities.

An extensive range of topics will be presented by respected and inspiring speakers. Some sessions are suitable for educators who work in early childhood services, while other sessions are also suitable for educators working with primary school aged children.

"The whole session was delivered very professionally, valuable information and inspiring us to incorporate many practical ideas in our programs."

"Great presenter, lots of ideas going forward. Real life examples. Lots to relate to my team."

"I was expecting this topic to be a bit dull – Not at all. I really enjoyed the presentation. Thanks."

- **Bookings are essential** as there are limited places available for each session.
- All sessions are \$35 per person
- Please note there will be no refund available should you be unable to attend.
- Certificates will be issued for each session attended.

For details on the program and how to book please visit:
