Clay: * Note that we fire Earthenware and Stoneware only.

Wheel Work – one block of wheel throwing clay, either fine earthenware or fine stoneware. For functional ware, tutor recommends stoneware clay: Walker PB 103 or Walker #10

Handbuilding – one block of handbuilding clay of your choice. Tutor recommends: Walker SES (School Earthenware Stoneware) approx. cost \$16 for 10kg bag

* Note that the clay you buy will impact your glaze & underglaze choices, ie. Earthenware needs Earthenware glazes only and Stoneware needs Stoneware glazes.

* Please bring clay to class each session and take home with you as there is no storage space for clay.

Glazes: Clear glaze is supplied by Wyreena. **Coloured underglazes are to be purchased by students.**

* **Do not purchase glazes until advised by your tutor.**

* You can see glaze samples at Walker Ceramics and pick up a paper copy of their Underglaze colour ranges before you purchase these items. This will give you would have a good idea of what is available.

* Note that the clay you buy will impact your glaze & underglaze choices, ie. Earthenware needs Earthenware glazes only and Stoneware needs Stoneware glazes.

* New students may choose to purchase sample pots of underglazes from Walker Ceramics (Wunder Colour Kit - 7 x 20ml pots - approx. \$23.00 - A large range of colours to choose from.)

Kiln Firing: **Bisque (1st Firing) \$8 per kilo / Gloss (2nd Firing) \$8 per kilo**

* Kiln Firing fees are additional to the class fees and enable Wyreena to maintain and operate the kiln.

* Students will be required to pay kiln firing fees prior to the work being fired.
