

Kindergarten outreach Program

A free program that supports culturally and linguistically diverse families who live, play, work, or study in Maroondah.

Do you have young child and want to know more about early childhood services in Maroondah?

Our Kindergarten Outreach Team work directly with families and local service providers to support inclusion and ongoing participation in early years services.

Support for families include:

- Enrol and participate in three and/or four-year kindergarten programs
- Accessing Early Start Kindergarten if you're a family with a refugee or asylum seeker background
- Transitioning from kindergarten to primary school
- Connecting with playgroups, maternal and child health, immunisation, Storytime, library, and other early childhood services.
